STUDENT SOFTWARE ENGINEERING

I am currently in the second year of the Degree in Computer Engineering at the University of Aveiro.
I consider myself motivated, with creative thinking and I like to work in a team, especially in a good environment.
I've I have already tried several technologies in different areas but I really want to learn more and more.

EXPERIENCE

PESQUISA E DESENVOLVIMENTO

During my university period so far, I had the opportunity to carry out some projects such as:

- Distributed Music Editor (Python, Flask);
- Database of a copy of the Youtube system (SQL,C#).
- Syncal: Synchronized Calendar (ReactJS). Project more focused on the front-end where I had the opportunity to learn about requirements analysis, Cognitive Walkthrough, etc;
- Chat-Server(Python): Creating a chat between people;

All projects available on my Github profile
